Andy - I believe the commitment was to make the payment by April 29th. The internal approvals are in process, so I expect the transfer to occur tomorrow. I'll confirm with a letter when I have notice that the transfer has been made, or let you know if the payment will be delayed past April 29th.

Bill:

At the last Anaconda Smelter principals' meeting it was indicated EPA would receive this funding by April 19.

To date, we have received no payment.

Is this still on track?

Thanks,

Andy
